Dedication

The class of 1994 would like to dedicate this yearbook to Mr. Costa and Mr. Botelho in recognition of all their contributions to the student body. We've enjoyed their social studies and science classes, their humor and ability to relate to us on our own level. We the class of '94 will never forget you.

Administration & Faculty

Spring 1994

To the Class of 1994:

You are the sixth eighth-grade class to graduate from the Berkley Community School. You have spent more than half of your school years here in Berkley's new school. Time does fly, doesn't it?! Can you remember back to the year of the "big opening"?! Although you were students here during the "lean years," when there were layoffs of teachers and staff; I hope you have good memories and have developed the skills necessary to take you successfully through high school and the remainder of your life.

Think back six years at the Berkley Community School; then look ahead four years through high school. It will go fast! Use your time and energy wisely in your pursuit of a good education, happy teen years, and a successful, meaningful, and satisfying life.

Thank you to the 99% of you who have been good school citizens for all your years here. Go from here with hope, energy, desire, and optimism. Make us all proud of your accomplishments.

Best Wishes!

Russell F. Latham

Russell F. Latham
Superintendent of Schools

Principal

Congratulations on your graduation from Berkley Community School. You are the largest class that we have had graduated so far! As you begin your high school experience, don't forget the opportunities that were available to you during your years in Berkley. Continued success and best wishes.

Sincerely,

Ms. Medeiros

Principal, Berkley Community School

Dir. Student Services

I wish you the best of luck in your future experiences. High school can be a difficult transition as you attempt to juggle home, school and social life. You will build on the excellent education you received here at Berkley Community School & hopefully, this foundation will help you to successfully meet new challenges next year and in your future. Congratulations, Class '94!

TIME FOR US TO GO

*Now it's time to go
We've been here nine years
Some Laughs
Some Tears*

*We've had many friends
Some new and some old
But those friendships
will never end
At least that's what
I've been told*

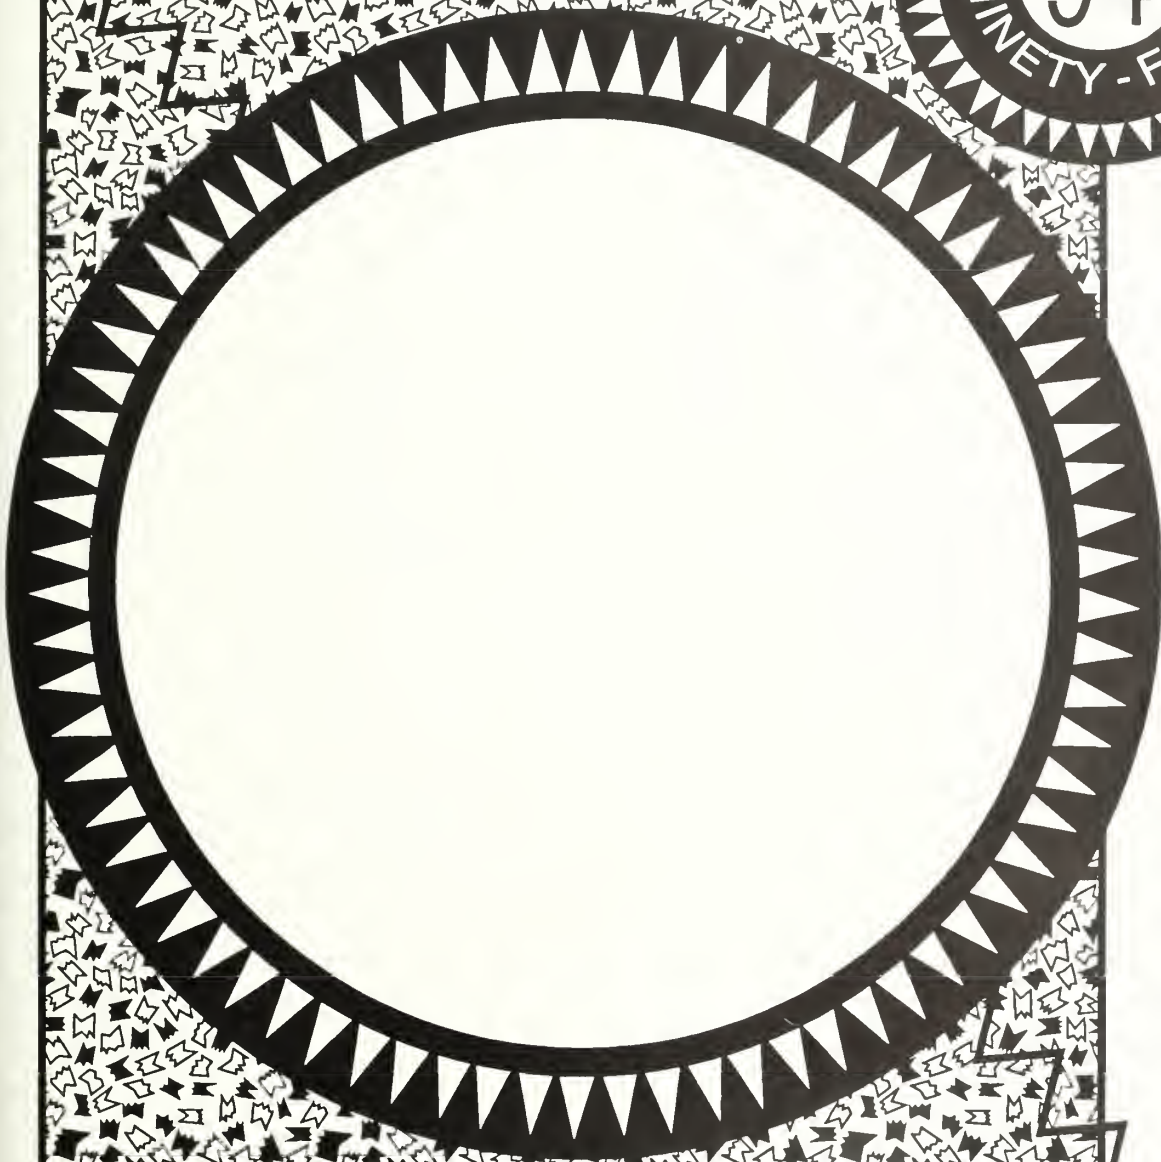

*We will see each other again
Please do not shed a tear
As we say good-bye for now
Just remember there's always
next year.*

President's Message:

I feel honored to be elected Student Council President. It's definitely something I'll always remember. I think our last year here has been the best ever. I'll miss the people that I won't be going to high school with, especially my best friend. I've known most of these people for years, but this year I've got to know and understand them a lot better. I've not only learned from the teachers, but from my experiences with the students as well. I am proud to be a part of this graduating class and I'm sure everyone will put as much effort in life as they have in making these years great!

Back to Yesterday

Garnett Ann Schultz

Oh, that we might walk again
Down memory lane so sweet,
Back to a treasured yesterday
When dreams were then complete;
Back to the land of school-day bliss,
No worries and no care,
To laugh and talk and fondly know
A happiness to share.

Oh, to stroll through yesterday
To walk there hand in hand;
The time has quickly flown away;
It's hard to understand.
I often sigh reflectively
As I do sit alone,
But memory always takes me back
To middle school days I've known.

Reflections, daydreams, memories
Seem, oh, so distant now,
The moments sweet from other years
Today does not allow.
Though cares surround me here alone
Along my weary way,
I travel still down memory lane
Back to a yesterday.

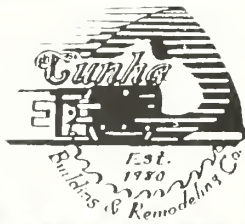

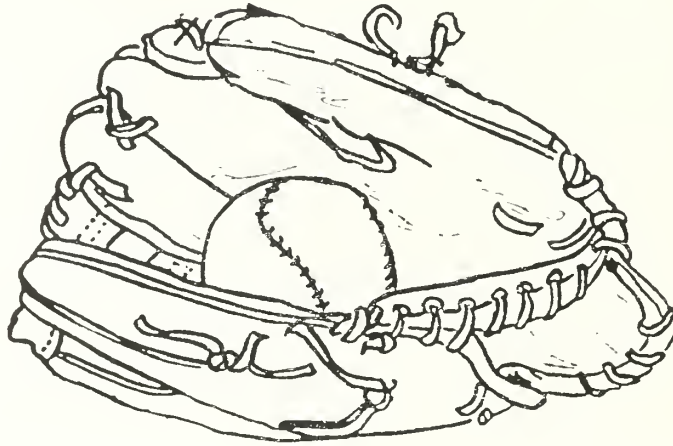

These Are The Years To Remember

Friendship

Oh, the comfort — the inexpressible comfort of feeling safe with a person, Having neither to weigh thoughts, Nor measure words — but pouring them all right out — just as they are — Chaff and grain together — Certain that a faithful hand will take and sift them — Keep what is worth keeping — And with the breath of kindness blow the rest away.
